

# Construction Management And Inspection

## City of Folsom Zone 2/3 Cimmaron Pump Station Improvement Project

### Project Data

**Owner:**  
City of Folsom

**Project Type:**  
Specialty Inspection

**Project Duration:**  
Oct 2007

**Inspection:**  
ICM Group, Inc.

### PROJECT OVERVIEW

ICM provided specialty coatings inspection at the Folsom Water Treatment Plant. The City was replacing their turbine pumps but were not providing new pump cans.

### SERVICES PROVIDED

ICM provided expert inspection of the pump can coating system, verified the coating conditions, and provided recommendation for the continued use of the existing pump cans and a maintenance schedule.
