Potable Waterline

Project Duration:
2020

Construction Value:
\$150,000

Inspection:
ICM Group, Inc.

Designer:
County of El Dorado DOT

Contractor:
Doug Veerkamp General
Engineering, Inc.

PROJECT OVERVIEW

The El Dorado Irrigation District (EID) Hanks Exchange Pipeline Project consisted of the construction of 300 feet of 8-inch ductile iron pipe along a country road. This new pipeline was tied-into the existing ACP potable water main at both ends.

SERVICES PROVIDED

ICM Group, Inc. provided inspection for the duration of the project. Services included inspection of construction materials and methods, SWPPP practices, coordination with EID personnel, addressing field issues, and weekly updates.
